OFFICE MEMORANDUM

Subject: GIS Mapping of projects on National Highways

As you are aware, Bhaskaracharya National Institute for Space Applications and Geo-Informatics (BISAG-N), Gandhinagar, Gujarat has done GIS mapping of approximately ~1,30,000 km of NHs in the country but the same are required to be updated and verified by field units of all the agencies for the Ministry.

1. With reference to the OM dated 3rd June 2022 from Chief Engineer (Planning), all the field units of executing agencies (such as State PWDs / RCDs, NHIDCL, BRO, etc.) were requested to verify and update the GIS mapping of all NHs under their jurisdiction by 31st July 2022.

2. As part of this exercise, MoRT&H has identified a list of projects which were completed in the past and are currently under implementation for Roads Wing and NHIDCL from Project Monitoring Information System (PMIS).

3. In connection with the above, field units of State PWDs and NHIDCL are requested to furnish the alignment (KMZ / KML) files for the identified projects (list provided in Annexure – A) latest by 15th July 2022

4. The field units shall also furnish additional alignment files of completed / ongoing / Balance for Award projects by 15th July 2022 which are available with the respective agencies along with the details filled in Annexure - B

5. The KMZ files received will be furnished to BISAG-N for uploading it on the NMP portal.

6. For any further assistance, Sh. Bidur Kant Jha, Director; 8826173057; email: bidurkant.jha@gov.in, may also be contacted in this regard

With Best Wishes,
Yours Sincerely,

Bidur Kant Jha
Director

OFFICE MEMORANDUM

Subject : GIS mapping of all National Highways -reg.

As you are aware that GIS mapping of entire network of National Highways (NHs) is one of the most important requirement for planning, execution and monitoring of NHs network, but this important task has not been completed so far.

2. Bhaskaracharya National Institute for Space Applications and Geo-informatics (BISAG-N), Gandhinagar, Gujarat has done GIS mapping of approximately 1,30,000 km of NHs in the country but the same are required to be updated and verified by field units of the different agencies for the Ministry. The field units of NHAI in coordination and support of BISAG-N are verifying the details.

3. Similarly the field units of the Ministry (i.e. ROs) and field units of other executing agencies (such as State PWDs/ RCDs, NHIDCL, BRO, etc.) are also required to engage themselves with BISAG-N for verification and updation of the GIS mapping of all NHs under their jurisdiction.

4. Accordingly, the ROs of the Ministry are requested to coordinate with field units of other executing agencies mentioned above to depute suitable personnel from all executive agencies / their field units including from the ROs of the Ministry in consultation with BISAG-N to: -

(i) get the details of all projects / NHs sections within their respective jurisdictions checked and mapped with GIS maps of BISAG-N;

(ii) ensure availability of relevant prerequisite details wherever feasible (e.g. available KML / KMZ files of alignments / bypasses, ROW, chainage, etc.) with field units of respective executing agencies for ready reference during interaction with BISAG-N.

5. The entire exercise may be commenced immediately in consultation with BISAG-N and completed by 31st July, 2022.

6. NHAI has almost completed the entire exercise for the NHs assigned with them with the cooperation of their field units.

7. The ROs of the Ministry are requested to coordinate with the ROs of NHAI for necessary guidance in this context.

8. For any further assistance, NHAI Nodal Officer for this assignment [Shri SS Jha, CGM (Tech); Tel : 25074100 Ext. No. 1821; M : 9234503333; email - sheoshankar@nhai.org] may also be contacted in this regard.
