| 01     | The proposal needs to be examined with respect to the ongoing and proposed works along the said stretch. Further, the water pipeline is proposed to be laid for a length of about 6 Km along the National Highways. In this regard, the Executive Engineer (NH) Kalaburagi, is requested to submit the feasibility of laying the water pipeline, keeping in view the proposed future widening works of the NH. | AEE, NH Sub-division, Humnabad reported that the EPC work on said reach is completed on Dated: 31.12.2021. Presently there is no any new proposal for widening at the said reach, The pipeline is intended to provide purpose of Drinking Water for public & will be positioned at the extreme edge of the Right of Way (RoW) to avoid interference with the main carriageway and future widening works of the NH. Feasibility report is attached vide letter cited at reference (03) above. |
