 8. The AEE, NHSD, Chikkaballapur letter no:AEE/NHSD/CBP/NOC-VJNL /2026-27/114 dated:26.05.2026

With reference to the above subject, the Office of the Executive Engineer, Yettinahole Project the box Division No. 04, Madhugiri, Tumakuru District has sought permission to lay a water pipeline using the box pushing method across the road near Nayanahalli Village at Ch 405.005 on NH-234(69) (Chikkaballapur-Mulbagal section) in the state of Karnataka, vide reference (1).

Hence, it was forwarded to the AEE, NHSD, Chikkaballapur with an instruction to conduct physical verification of the site condition and to submit the details vide letter cited under ref(2).

In view of the above, as per letter cited under ref(3), the site has been physically inspected by the AEE, NHSD, Chikkaballapur on 16.09.2025 and Village-wise detailed calculations of land rent, based on the prevailing guidance value, and the required Performance Bank Guarantees related to the laying of the water pipeline across NH-69 (NH-234) on the Chikkaballapur-Mulbagal section have been prepared in compliance with the Ministry's circulars. Further, all relevant details, including the dimensions of the box and pipeline, construction methodology, and technical drawings and Calculation sheet are enclosed with this proposal. Hence the same has been forwarded by this office to approval by letter ref(4).

Further, the RO, MoRTH, Bengaluru examined the proposal, made certain observations and returned in original unapproved vide letter ref(5). The same has returned to the AEE, NH Sub division Chikkaballapur for resubmission along with compliance vide letter ref(6).

In light of the above, the Office of the Executive Engineer, Yettinahole Project the box Division No. 04, Madhugiri, Tumakuru District has resubmitted the proposal along with compliance & requested to approval vide letter cited under ref(7). The same also recommended by the AEE, NH Sub division Chikkaballapur vide letter ref(8).

In this regard, the compliance to the observation is submitted as below:

Sl No	Observation	Compliance
1	The Executive Engineer, NH Division, Bangalore, is requested to examine and recommend the proposal in light of the Ministry's extant guidelines to avoid any delay in processing the file. The Complete set of proposal in two sets along with License Agreement in	The proposal has been examined and inspected the site and the Complete set of proposal in two sets along with the original License Agreement (two sets) and one copy, as per the Ministry's guidelines dated 22.11.2016, is enclosed

	original (two sets) and 1 copy as per the Ministry's guidelines dated 22.11.2016 needs to be submitted along with the Checklist/all the Undertakings/license fee & BG calculation with area list duly certified by the NH field authority needs to be submitted.	herewith. Further, the Checklist, all required undertakings, license fee & BG calculation along with the duly certified area list are also enclosed for kind consideration.
2	The submitted drawing does not indicate the NH chainage, and the exact location of the proposed work is unclear, particularly where the NH crossing is proposed. The detailed drawing clearly showing the NH number and chainage to be submitted.	The exact details pertain to the proposed National Highway crossing, and the National Highway number is mentioned in the drawing. The same is submitted herewith for your kind perusal.
3	The License Agreement in original (two sets) and 1 copy as per the Ministry's guidelines dated 22.11.2016 needs to be submitted with seal of authorised signatory in all pages and witness signature. The agreement is to be made between "The Regional Officer, MoRT&H Bangalore" (Authority) and the Licensee, leaving date/month/year blank without any topographical errors along with witness signature.	The License Agreement in original (two sets) and 1 copy as per the Ministry's guidelines is enclosed

Hence, the proposal for laying the water pipeline by box pushing method is hereby submitted along with the revised vetted Drawings and License Agreement for your kind perusal and further necessary action.

Encl: 1)proposal (3 copies)

Yours faithfully

Executive Engineer
NH Division, Bangalore
