To

The Executive Engineer,
NH Division, RCD, Gumla.

Sub: Proposal for grant of permission for construction of access to proposed Fuel Station of M/s. Indian oil corporation abutting on RHS of NH-143A at km 48.165-48.200 in plot no.1265, khata no. 04 of village Andhara, Taluka-Ghagra of Gumla District in the State of Jharkhand - **Provisional Permission - Reg.**

Sir,

Please refer to letter no. No.M/2021/INO01283/JRK/ 000032/2305/00015/FEES dated 14-07-2023 received from oil company M/s IOCL,Ranchi submitting therewith recipet of requisite fees and Bank Guarantee for for the subject mentioned proposal. The proposal was earlier submitted by you alongwith your site inspection report vide letter No.231(Anu) dated 08-03-2022. In this regard, following are mentioned.

2. The proposal is examined and provisional permission is hereby granted for Fuel Station of M/s. Indian oil corporation abutting on RHS of NH-143A at km 48.165-48.200 in plot no.1265, khata no. 04 of village Andhara, Taluka-Ghagra of Gumla District in the State of Jharkhand.

3. The copies of Bharatkosh receipt bearing transaction ref no. transaction ref no. 0507230068046 dated 05-07-2023 amounting to Rs.20,000/- for provisional permission fee, receipt bearing transaction ref no. 0707230025824 dated 07-07-2023 amounting to Rs.2,89,406/- for license fee and receipt bearing transaction ref no. 1412210022138 dated 14-12-2021 amounting to Rs. 10,000/- as processing fee submitted by the applicant is being sent to Regional Pay and Accounts Officer (NH), Kolkata to deposit the same in Government of India account. It is intimated that in addition to one time license fee, rent may be collected for the use of NH land as per provisions of Highway Administration Rules, 2004 (Land & traffic Act, 2002) as applicable.

4. Accordingly, one set of signed copy of the layout plan is enclosed herewith. One set of layout plan, two original copies of the License Deed and Bank Guarantee in original amounting to Rs.2,50,000/- vide BG No. 087GT02231860002 dated 05-07-2023 having validity upto 04-07-2026 have been retained in this office. The license deed will be signed only after compliance of following conditions:

(i) The oil company/owner of the property may construct the Fuel Station along with its approach road without interfering in any way with the highway traffic within 12 months from the date of issue of Provisional permission for access and shall make provision for drainage, toilet, drinking water facilities signs and marking at his own

cost and to the full satisfaction of the highway authorities according to the approved drawings and specification as per Ministry's circular no.RW/NH-33023/01/2017-S&R(R) dated 26.06.2020. The said approach road shall not be brought into use after its completion until highway authorities give a completion certificate after satisfying himself that it has been completed as per the sanctioned drawings and specifications. The fuel station would be energized by the oil company only after final approval has been issued by the Regional Officer. A copy of the necessary completion certificate issued to the Oil Company may be furnished to this office which should also be confirmed by the Highway Authorities along with the completion as per Para (iii) below. In case the construction is not done in one year, the provisional permission shall be deemed to be cancelled unless extension to the validity of provisional permission for access is granted by the Regional Officer.

(ii) As per Para 11.0 (ii) of the appendix I of Ministry's guidelines dated 26.06.2020 all the retail outlets shall have free drinking water and separate ladies and gents toilet facility as per the policy of Ministry of Road Transport and Highways. Therefore, Oil Company should also ensure that all the retail outlets are provided with such facilities and this would be accessible to public round the clock. To inform public about this, a display board showing location of such facilities shall be installed before entry to the retail outlet. This will be implemented prior to energizing the new retail outlet.

(iii) The Highway Authorities should examine the safety conditions at site consequent to construction of approaches. In case of any adverse conditions, the matter may be reported to this office. Compliance to the approved drawings and other conditions are to be ensured by the concerned Highway Authorities and the Oil Company as per extant Ministry's guidelines.

Yours faithfully

Encl. As above.

(S. Vijaya Kumar)
