2. As per Gazette Notification S.O. 3293 (E) dated 16.09.2019, RO, MORT&H Bangalore vide letter no. RW/BNG/NOC/N-948/Km. 456.256/367/2019/2032 dated 17.10.2019 has forwarded the proposal to this office (RO, NHAI Bangalore) for taking further action in the matter.

3. In this regard, RO, NHAI Bangalore vide letter cited (3) above, has made observation that, as regarding existing Intersection, which is under relaxation. In this regard requested PIU Ramanagara to provide comments, information along with clear cut recommendation to process further.

3.1 The applicant M/s BPCL, Bangalore vide cited (4) above has sought relaxation from Ministry Guidelines issued vide letter No. RW/NH-33023/19/99-DO.III dated 24.07.2013, i.e., there is an Intersection road at a distance of 272 Mtrs as against the minimum of 300 Mtrs as per the Ministry's guidelines issued vide letter dated 24.07.2013 (Annexure-I). The Justification submitted by M/s BPCL, Bangalore is reproduced below.

- The proposed site is 272 m away from intersection against 300m; the deviation is less than 10% from norm distance.

- The proposed location falls under NEW NH-948 (Old NH-209) and it is undivided carriageway and will not have much traffic once the 4-lane bypass is ready.
- Further, Oil Company would like to start that the new NH-948 (Old NH-209) is going to be underpass Road to the new bypass road since the proposed location is parallel to the Bypass road.
- There is No Retail Outlets (till 6 KM stretch towards Bangalore and 4km stretch towards Dindigul) in and around the proposed location to cater the people. Hence we consider this is a good location for new Retail Outlet development.
- Except the intersection point, the proposed locations meet with all the National Highway Guidelines.
- So Oil Company requesting to consider the proposal under relaxation. By quoting that the stretch is going to be bypassed as the project work is under progress.

3.2 Further, Project Director, PIU, Ramanagara, on recommendation of IE, requested to accord the approval of Competent Authority for issue of NH access permission to above mentioned retail outlet vide letter No. NHAI/PIU/RMNG/12020/01/2018-19/2240 dated 12.12.2019 (Annexure II).

4. On verification of compliance submitted vide PD, PIU Ramanagara letter cited (5) above, RO, NHAI Bangalore vide letter cited (6), again made observation that, there are two intersections with proposed NH (i.e., bypassed NH which is under construction) and with existing NH at a distance of 272m and 790m against the MORT&H norms of 1000m. However, it is mentioned in the checklist that, the intersection with rural/approach road to private & Public properties. In this regard, RO, NHAI Bangalore has requested to clarify the above matter.

4.1 In this regard, IE letter no. TPF-SCIA/011/TL/NHAI/18-19/1314 dated 12.06.2020 (Annexure-III), has submitted Compliance to PD, PIU Ramanagara. The Compliance submitted by IE and forwarded by PD, PIU Ramanagara vide letter no. NHAI/PIU-RMNG/12020/02/2020-21/403 dated 24.06.2020 are reproduced below:

- It is true that, proposed new Retail Outlet is abutting on RHS Boundary of Old NH-209, which is located 200m away the De. Ch. 453+050, where the proposed Udayapura Bypass Crossing the existing Highway.
- Now there is a Proposal for Construction of VUP at Ch. 453+540, which is already approved by the Authority, in which the Service roads are also included from CH. 451+900 to CH. 454+900 to facilitate the town ship traffic of Kaggalipura and Udayapura, which are also very well developed. Proposed VUP drawing along with service roads enclosed.
- Now the existing NH from De. Ch. 453+050 to Ch. 453+800 will have to be de-notified from NH-209. Hence, the proposed Retail Outlet which is located in Sy. No. 177/1, 177/2 and 177/3, will be away from Project Highway. Location drawing enclosed herewith.
- Further, the existing road will not intersect any road within 1Km on either side, as it runs parallel to Project Highway and merging with service road.
