### CERTIFICATE

- 1. Undersigned has examined the proposal of the applicant for laying Overhead Electric Cable along NH 27 from MS-1063.700 to MS-1064.800 L.H.S. Side(Overhead with 20 no's Poll Size 1.2 m \*1.5 m) total length is 1.100 Km and confirm that the all standard conditions issued vide ministry circular No. RW.NH-33044/29/2015/S&(R) dated 22.11.2016 has been followed.
- 2. It is certified that any other location of utility line would be extremely difficult and unreasonable costly and installation of utility line within ROW will not adversely affect the design, stability & traffic safety of the highway nor the likely future improvement such as widening of the carriageway, easing of curve etc.
- 3. I will ensure supervision of the work of laying of utility and ensure that the defects in road portion after laying of utility are corrected.
- 4. I will notify/forfeit the BG for claims for damages done/disruption in working, if any.
- I will ensure that proposed permission in entered the register of records.
- 6. The record of previous approval, if any has been considered and copy of same is enclosed with the proposal.
