Sub.: Proposal for grant of NOC for access permission to M/s Indraprastha Gas Limited CNG Station, Delhi- Ghaziabad Road at Km 6+645 (RHS), NH-24, Vinod Nagar (East) Delhi.-Regarding Justification.

State	NH	Chainage (km)/District	Name of the Oil Company/ Private property	Deviation as submitted by consultant	Justification
Delhi	NH-24 (New NH-09)	CHAINAGE NO. 6+645 (RHS) Distt-East Delhi	M/s Indraprastha Gas Limited, IGL. Bhawan Plot No.04, Community Centre, Sector-09, R K Puram New Delhi-110022,	a) As per Ministry's Guidelines for Access Permission to Fuel Station along National Highways wide letter no RW/NH 33023/19/99-DO-III dated 24th July 2013 under Appendix-I Clause No 4.6.2 page No 7. Distance between two retail outlets on same side on divided NH should be 300.0 m where as BPCL has a retail outlet 36.00 m to words Delhi on from RO at 6+645 (RHS). b) As per Appendix-I Clause 4.6.3 if two or more Retail outlets are to be sited less than 300.0 than they should be grouped together with 5.5 m wide service road.	a) The land was allotted under Green belt for CNG station. This is situated between NH and Metro property. Gap between Metro property and Retail outlet is 1.3 m wide. Hence there is no Feasibility of availability of land for service road. b) This part of divided NH is divided in 6 parts, 3 for each side of traffic movements. Central two parts are for unhindered movement as express highway, new one road on both sides are for joining local traffic for unhindered movement. Last one road on each side is designated for entry/exit of sites on NH and other local traffic movements. Our retail outlet is situated on lower NH for Entry/Exit of Sites along NH and local separation or joining traffic to NH. c) Since our retail outlet is situated on lower NH, this will not create any disturbance to NH. You will appreciate that express highway is unhindered at this point.

2. In view of the above, the instant case is recommended for relaxation
