2. As per guideline issued by Ministry vide letter no. RW/NH-33023/19/99-DO-III, dated 16.03.2016 according to which for relaxation cases the Highway Administrator will make available in Ministry website the complete application for public comments and comments will be invited within 60 days from the day of uploading as per the format enclosed as Form-A. As per proposal due to following the relaxation is sought by applicant.

Sr.No.	Relaxation Category	Justification by NHAI
i)	Non Fulfillment of Criteria distance from median opening ie 300m.	As the permission is sought for construction of commercial shop & warehouse where the heavy movement of trucks & trailers would be there so connecting the two service road & taking access from slip road will result in conflict of traffic & that may lead to traffic issues. Hence sought access in front of internal road so that the movement of trucks would be restricted & there would be no hindrance to traffic on NH.

3. In view of above, the comments of the public on the above relaxation proposal is invited to this office. The detailed proposal submitted by applicant is online available at www.morth.nic.in.

Encl: As above

Yours faithfully
