Sr. No	State	NH No.	Ch. (Km)	Oil Company/ Private Property detail	Deviation	Justification given by Project Director, NHA, Vijayawada
1	Andhra Pradesh	NH-5 (new NH-16)	1089/900	Private Property of M/s.Sri Kanakadurga Infra Projects, Vijayawada at Nidamanuru Village, Vijayawada Rural Mandal, Krishna District .	The distance between merging points of a service road including acceleration & deceleration lanes of 100m and 70m respectively is 184m as against Ministry's norms of 500m in urban limits.	<p>The proposed location will be bypassed due to construction of proposed Vijayawada bypass and traffic will be relatively less after formation of bypass.</p> <p>The applicant has proposed to construct a 184m length parallel service road including 47m length of deceleration lane and 60m length of acceleration lane. Also, the applicant has proposed the following road safety measures additionally.</p> <ol style="list-style-type: none"> 1. Providing two guard rooms at entry & exit to ensure that the traffic on the main carriageway is not affected by any vehicular movement inside the premises. 2. Providing sufficient parking space inside the premises to ensure that no vehicles are parked outside the premises. 3. Periodical review of road safety measures by security personnel with Highway authorities as well as local traffic police to implement their suggestions for smooth flow of traffic. 4. Providing speed breakers at the exit lane with solar blinking "STOP" signal to ensure that the traffic suddenly does not jump into the main stream traffic.
2					The minimum distance between merging points of two access on the same side of carriageway is 100m in urban limits as per Ministry's norms. However, the proposed site is adjacent to property	
3					Minimum distance from Median opening is 54m as against Ministry's norms of 100m in urban limits.	
4					Length of acceleration lane is 60m as against Ministry's norms of 100m.	
5					Length of Deceleration lane is 47m as against Ministry's norms of 70m.
