Sub: Request for RoW permission for 400 M Laying Fiber Cable in District- Araria Section Near Jitendra Washing Centre Araria Chainage-244+350 To Near Mahadev Chowk Chainage 243+950

Total Length = 400 M

Sir,

We write you on behalf of M/S Bharti Airtel Limited a company incorporated under the companies' act, 1956 having its registered office at Airtel Centre, Plot No. 16, Udyog Vihar, Phase-IV, Gurugram, Haryana-122015 and has been granted registration by the Department of Telecommunication, Ministry of Communications and Information Technology, Government of India, for establishing, maintaining, and providing Telecom Services such as Dark Fibers, Right of Way (RoW) Duct Space in various Licensed service area.

In order to provide seamless connectivity and network services, which is an indispensable for the overall growth of the nation, BAL requires to lay down/install telecom infrastructure at various locations as per the requirement, to ensure maximum network coverage.

The aforesaid telecom services being provided by BAL have been termed as "essential service" under the Essential Services Maintenance Act, 1968 and are also classified as a "public utility service" under the provisions of Legal Services Authorities Act, 1987.

The significance of laying down or installing the telecom infrastructure can also be adhered to the fact that the Government of India have initiated various campaigns under the Digital India Mission such as **National Broadband Mission (NBM)** to transform India into a digitally empowered society and knowledge economy, for which, 5G rollout will act as catalyst.
