Invitation of public comments

Sub.: Proposal for final formal permission and signing of license deed for access to the fuel station of M/s Nayara Energy on AGRA - Jaipur Road, NH-11 (New NH - 21), KM. 16 (Ch.15.155, LHS), at Village Midhakur, Tehsil & District Agra in the State of Uttar Pradesh - Reg.

The provisional NOC for the instant retail outlet was granted vide this office letter no. RO/LKO/HA/NH-11/110/2014/684 dated 22.04.2015 with the condition that "in case the construction is not done in one year of the issue of this provisional NOC, the same shall be deemed to be cancelled, unless renewed by the Competent Authority". However, it is seen that the case has been submitted after the elapse of said deadline. Thus, it is seen that there is delay in construction of the instant retail outlet and involves deviation from the Ministry's extant guidelines.

2. The Oil Company M/s Nayara Energy has submitted justifications for the delay, wherein it is mentioned that NOC from District Magistrate was granted to M/s Nayara Energy on 16.01.2019 i.e. around 3 years 8 months & 25 days after the provisional NOC was issued. This resulted in delay in construction work at fuel station. Thus, applicant could not start the work immediately on the site in absence of these statutory approvals as budget is approved only when all the statutory approvals are in hand. Construction work has been completed on 11.07.2019 i.e. the proposal was submitted after the elapsed deadline of provisional NOC period.

3. As per the guidelines, issued by the Ministry vide OM No.RW/NH-33023/19/99-DO.III dated 16.03.2016, the Highway Administration will make available the relaxation application for public comments will be invited within 60 days from the day of uploading as per the format enclosed as Form-A (Annexure-I).

4. In view of the above, comments of the public on the above relaxation proposal because of non-fulfillment of completion of the criteria of construction within stipulated time-period, is invited to the below mentioned address:
