Sl. No.	Chainage		Side	Length (Km)	Parallel / Across	Dia of Pipe (mm)	Remarks
	From	To					
16	91+350		RHS to LHS	-	Across	300	Through Box Culvert
17	92+500	92+550	RHS	0.050	Parallel	300	Through HDD
18	92+550	93+000	RHS	0.450	Parallel	300	Through Open Trench

In this regard, we would like to inform that permission for laying of Water Supply Pipe line in this section may be granted to D. W. & S. Department Ramgarh, subjected to the following conditions:

1. Concessionaire shall be officially informed by the executing agency before commencement of the work.
2. Working drawing along with the detailed plan including work completion dates shall be submitted before commencement of the works within the Project RoW.
3. After completion of all works, D. W. & S. Department Ramgarh shall inform to NHAI/HREL regarding same and shall submit the as Built Drawing so that laid Water Pipeline can be traced at any point of time. However, if any execution of road works is required in future, then the Concessionaire, HREL and/or the NHAI, Ministry of Road, Transportation and Highways, Govt. of India shall not be responsible for any damage to laid pipeline.
4. Exact location of road crossing shall be shown physically to the HREL representative at the time of commencement of works. Road crossing shall be done through utility duct or cross drainage structures only. If at all this is not possible due to constraint of location, then Trenchless method shall be used for crossing of road. Profile for Trenchless method for respective location shall be submitted before start of Road Crossing. In any case, open trench shall not be permitted across the highway. The road crossing shall be done under the supervision of HREL representative. In any case, top of the Pipe will be at minimum 1.0 meter below the sub grade bottom.
5. While adopting trenchless method, suitable encasing shall be provided to carry the highway traffic load and dead load of the carriageway.
6. The D. W. & S. Department, Ramgarh shall nominate a responsible person with mobile phone facility for coordinating at site and inform the HREL about the same in writing before commencement of work.
7. The D. W. & S. Department, Ramgarh must take all necessary steps during executing to avoid any damage to the road property. In any case, if any of the road facility gets damaged via directly or indirectly, the repair shall be done on the risk and cost of D. W. & S. Department, Ramgarh.
8. In any condition, excavated material shall not be stacked over Road surface. No inspection chamber/ valve chamber shall be permitted on the pavement surface.

Registered Office: The IL&FS Financial Center, Plot C-22, G Block, Bandra Kurla Complex, Bandra (East), Mumbai- 400051.

E-mail: - hrelranchinh33@gmail.com

9. The D. W. & S. Department, Ramgarh shall undertake to relocate/shift the proposed pipeline in future for development/expansion of Hazaribagh-Ranchi Section of NH-33 Road, if required by the NHAI at the cost of D.W. & S. Department, Ramgarh.
10. The Work shall be executed as per the guidelines given in the Ministry of Road, Transportation and Highways, Govt. of India circular no. RW/NH-33044/29/2015/S&R(R) dated 22/11/2016 and other relevant circular as per site scenario.
11. D. W. & S. Department, Ramgarh shall take all necessary safety precautions during the execution to avoid any damage to the Road Users.
12. D. W. & S. Department, Ramgarh shall furnish an undertaking for abiding of above mentioned conditions before commencement of the works.

In confirmation to above conditions, NOC may be granted to the D. W. & S. Department, Ramgarh for laying of Water Pipeline along / across the Hazaribagh-Ranchi Section of NH-33 Road.

Submitted for your kind information and further needful please.

Thanking you and assuring you of our best services at all times.

Sub: Seeking Permission for laying water supply pipe line along and across the NH-33

Project: Gobardarha - Huhua & adjoining village Rural Piped Water Supply Scheme under D.W. & S. Division Ramgarh on turnkey basis.

Ref: 1. Our letter no 1945 dated 22/12/2017
2. Your letter no NHAI/PIU-RNC/NH33/NOC/2049 dated 09/01/2018 (copy attached)
3. Discussion with Project Director, NHAI and Executive Engineer, MORT at Ranchi on 27/06/2018

Dear Sir,

This has reference to your above mentioned letter on the subject and subsequent discussion with Project Director, NHAI and Executive Engineer, MORT at Ranchi on 27/06/2018 on the subject.

As advised we are pleased to re-submit our proposal for seeking permission for laying water supply pipe line along and across the NH-33 for the above mentioned water supply project under DMFT scheme

Proposed Water supply pipeline alignment along NH -33 (left side) is given below:

1. 300 mm dia DI pipeline between Km 85/000 to Km 85/371.
2. 300 mm dia DI pipeline between Km 86/000 to 87/098.
3. 300 mm dia DI pipeline between Km 88/000 to 88/420
4. 200 mm dia DI pipeline between Km 91/000 to 91/500.
5. 200 mm dia DI pipeline between Km 92/000 to 92/800.

Our proposal constitutes the following documents as per the NHAI guideline along with necessary drawings showing the chainage locations as well as the cross sections at the crossing locations:

1. Check list duly filled in
2. Undertakings
3. License Deed
4. Certificate
5. Drawings

We would like to mention that being a Government department under State Government of Jharkhand it would not be feasible to submit Bank Guarantee by us. However, we are agreeable to submit an Undertaking as per draft attached.

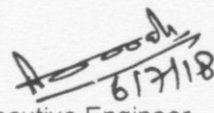

Trust above would meet your requirement.

We would earnestly request you to accord your approval at the earliest enabling us to execute the project.

In this regard your cooperation is highly appreciated

Thanking you,

Yours sincerely
