Invitation of public comments

Sub: Regarding proposal for Final NOC for construction of new retail outlet (Fuel Station)at Village:-kaliarkhal, Rev.circle:-Chapar, P.O:-Tilapara, P.S:Chapar, district:-Dhubri (Assam)- 783348 on the right hand side of NH-31 in chainage 904.772Km

1. The instant proposal was granted in principle NOC vide this office letter no. RW/GHT/AS/NOC/NH-31(1)/2015/424 dated 02.09.2015 with the condition that "in case the construction is not done in one year of the issue of this in principle NOC, the same shall be deemed to be cancelled, unless renewed by the Competent Authority". However, it is seen that the case has been submitted after the lapse of the said deadline. Thus, it is seen that there is delay in construction of the instant retail outlet and involves deviation from Ministry's guidelines.

2. The Oil company M/s HPCL has submitted justifications for the delay, wherein it is mentioned that:-

(i) It is pertinent to mention that there was delay in getting various statutory approvals like PESO license, electrical power connection license, ATA license etc. Thus Oil Company could not start the work immediately on the site on absence of these approvals.

Further, the required work at the fuel station as per in principle NOC could not be completed within given period due to encroachment of land near by Fuel station hindering construction of Acceleration and Deceleration which is settled in 2018.

3. As per the guidelines, issued by the Ministry vide OM No. RW/NH-33023/19/99-DO.III dated 16.03.2016, the Highway Administrator will make available the relaxation application for public comments will be invited within 60 days from the day of uploading as per the format enclosed as Form-A(Annexure-I).

4. In view of the above, comments of the public on the above relaxation proposal because of non-fulfillment of completion of the criteria of construction within stipulate period, is invited to the below mentioned address:-
