Clarifications regarding revalidation of sanctions/ extension of time for approved/ sanctioned State road projects under the CRF and EI & ISC Schemes as per the provisions of the CRF Act, 2000 and the Rules notified thereunder - Reg.

(i) Extension of validity of State Road projects approved under the CRF Scheme as per the CRF Act, 2000 and rules framed thereunder: -

It is pertinent mention that as per sub-rule (15) of rule (7) of CRF (State Roads) Rule, 2014, the sanctioned works generally should be completed within the stipulated time schedule and in case of failure on part of executing agency to adhere to the time limit without any justifiable reasons, the executing agency shall be liable to bear the balance cost for completion of the works; provided that, the Central Govt. (i.e. the Ministry) may, on being sufficient causes shown by the executing agency, extend the time of completion of works with the reasons to be recorded in writing.

It is clarified that same provision shall continue to apply for projects already approved under the CRF Scheme as per the CRF Act, 2000 and rules framed thereunder.

(ii) State Road Projects already sanctioned under EI & ISC Scheme as per the CRF Act, 2000 and rules framed thereunder: -

The Ministry shall consider extending validity of these projects on a case-to-case basis subject to the following conditions: -

- (a) Sanction of RCEs involving change of scope shall be permitted only in a very limited way primarily with the focus of completing projects without much enhancement of sanctioned scope of works. Sanction of RCEs shall be allowed for cases involving payments of statutory nature, subsequent changes in law (e.g. effects of GST, etc.), price adjustment/ escalation payments, effects of revision in Schedule of Rates (SOR) for works not awarded. However, in all cases, extension of validity/ RCEs may be considered only if the executing agency is able to adequately justify the reasons for delay in award, importance of the project and whether revocation of sanction may have adverse socio-economic implications, etc., to the satisfaction of the Ministry.
- (b) The validity of individual projects shall be considered for extension by the Ministry on a case-to-case basis as per extant policy applicable for NHs.
