Sir,
Reference your letter No. NHAI/CM/DRT/DKG-13/2013/38756 dated 30/04/2013 on the above mentioned subject.

2. NHAI has forwarded a proposal for clarification regarding the applicability of annual revision fee in BOT/OMT/public funded projects where the gap between the COD/initial date of fee notification and next annual revision [i.e. 1st April] in less than six months.
3. NHAI's proposal has been examined in the Ministry in consultation with IF Division and Ministry of Law. After detailed deliberation it is decided that the initial fixation of fee is not a revision but is an initial determination of the fee rates. The revision will be applicable from the next date of increase in user fee rates i.e. 1st April irrespective of the duration between achieving COD/appointed date and the next scheduled revision i.e. 1st April.

Yours faithfully
