No. RW/33044/2/88-D.O. II

*Dated the 4th January, 1989*

To

The Chief Engineers of State Public Works Departments and Union Territories dealing with National Highways and other Centrally Financed Schemes; Director General (Works), Central P.W.D.; Director General Broder Roads

Subject: Width of roadway on minor bridges on National Highways.

It has been decided that henceforward, all minor bridges (total length less than or equal to 60m) on National Highways, shall be constructed with width equal to the formation width of the adjoining road, but not less than 7.5m.

2. It is requested that the contents of this circular may be brought to the notice of all officers in your Department concerned with National Highways & other centrally sponsored schemes, Ministry may be apprised about the action taken in this regard.
