Dated the 10<sup>th</sup> March, 2013.

OFFICE MEMORANDUM

Subject : Two lanining with paved shoulders on Engineering Procurement Contract mode of execution.

Expenditure Finance Committee under Chairmanship of Secretary, Finance held on 22.01.2013 decided for working out the cost norm of two laning with paved shoulders on the Engineering Procurement Contract (EPC) mode of execution .

2. A Committee constituted under Chairmanship of Director General (RD)&SS of Ministry of Road Transport & Highways has given its report on costing of 2-lane with paved shoulders on EPC mode. The Report of the Committee is enclosed.

3. The civil cost of 2-lane with Paved Shoulders on EPC mode would vary between Rs 2.75 crore per km to Rs 4.00 crore per km (excluding centages). The projects having their costs within this limit shall be proposed directly to the EFC without referring them to the Standing Cost Committee. The projects having their costs outside the above limit shall be put up to the Standing Cost Committee with reasons thereof before proposing to the EFC.

4. The above issues with the approval of Hon'ble Minister (RT&H).
