Subject: Amendment/Incorporating a clause in the RFP of DPR Consultant to be conducted by MoRTH/NHAI/NHIDCL/BRO and State PWDs -Reg.

Sir,

Ministry, NHAI, NHIDCL, BRO and State PWDs largely depend on the consulting firms for preparation of Detailed Projects Reports (DPRs) for development of highways. Most of activities in highway sector are performed by private firms & personnel, as such their capacity building is of utmost importance. In this regard, a policy guidelines on mandatory training for consultant's personnel was issued by the Ministry vide letter no. RW/NH-33044/04/2022-S&R(P&B) dated 31.01.2022.

2. Further, Ministry vide letter no. RW/NH-33044/04/2022-S&R(P&B) dated 29.08.2022 has decided that, personnel engaged by consultancy firms for preparation of DPR have to undergo a mandatory training course on "Preparation of Feasibility Study and DPR for Highway Projects" conducted by Indian Academy of Highway Engineers (IAHE) as per its schedule. (copy enclosed). The DPR consultant has to demonstrate the training undertaken by its key personnel in the Curriculum Vitae (CV) as part of their Technical qualifications.

3. In this regard, the Model RFP document for appointment of Consultancy Services for preparation of Detailed Project Report (DPR) issued vide Ministry's letter no.H-39011/30/2015- P&P (Pt-I) dated 15.02.2019 shall be modified as below :-

P-1/2

S.No.	Clauses of the RFP	Existing Provision of RF P for DPR	Proposed Modification
1.	Appendix-I. Term of Reference (TOR) Clause 8: Project Team and Project Office of the Consultant	The Consultants shall be required to form a multi-disciplinary team for this assignment. The consultants' team shall be manned by adequate number of experts with relevant experience in the execution of similar detailed design assignments.	The Consultants shall be required to form a multi-disciplinary team for this assignment. The consultants' team shall be manned by adequate number of experts with relevant experience in the execution of similar detailed design assignments. Personnel engaged by consultancy firm for preparation of DPR have to undergo a mandatory training course on "Preparation of feasibility study and DPR for Highway Projects" conducted by Indian Academy of Highway Engineers (IAHE) as per its schedule. The consultant has to demonstrate the training undertaken by its key personnel in the Curriculum Vitae (CV) as part of their Technical qualifications.

4. This issues with the approval of Competent Authority in the Ministry.

7. All CE-ROs, ROs and ELOs of the Ministry.

Subject: Mandatory training courses requirement for Personnel of Consultants, Contractors, IEs and AEs reg.

Sir,

Ministry, NHAI, NHIDCL and State PWDs largely depend on the Consulting firms for preparation of Detailed Projects Reports (DPRs) and Construction Supervision for development of Highways. The execution of works including their design, procurement and maintenance are carried out by the Contractors/ Concessionaires as per provisions stipulated in various Contracts on EPC/BOT mode.

2. Most of activities in highway sector are performed by private firms & personnel, as such their capacity building becomes of utmost importance. However, it has generally been observed that the capacity building process of technical professionals of private agencies has largely been ignored. Therefore, in order to ensure the capacity building and enrich thereby quality of work done by the different categories of Personnel of Consultants, Contractors, IEs and AEs in Highways Construction on sustainable basis, the personnel employed with such

1/3

private agencies needs to be regularly updated, up-skilled and re-skilled besides refreshing and sharpening of their prior skills in Highways sector.

3. Indian Academy of Highway Engineers (IAHE) is the apex institute under Ministry of Road Transport & Highways to impart trainings to Technical Personnel of the Central and State Governments, local bodies and private Consultants & Contractors in various aspects of highway engineering such as planning, project preparation, pre-construction activities, Design, construction, operation and maintenance etc.

4. IAHE Conducts ranges of training programmes such as foundation/ induction training for the new entrants to service under the Ministry, NHAI, NHIDCL, BRO, State Governments etc. Besides, Annual Calendar training programmes are also conducted on about 30 different topics related to roads and bridges finalized based on demand of highway industry, requirement of stakeholders in Highways Construction, emerging new technologies /materials. IAHE also conducts special courses/certificate courses on following aspects:

(i) 15 days Certificate course on Road Safety Audit

(ii) 16 days Certificate Training programme for Quality/ Assistant Quality Control Engineers (sub-professionals) of Contractors/Consultants on Materials testing processes

(iii) 3 days residential (off-Campus) training programme on Collapse/failure of bridges/structures

5. The capacity building is of utmost importance to bridge the professional gap and to meet the demand of Highway industry. As such, to enhance the capacity to build & develop the quality and sustainable Highway facility, following training course are to be attended by the key personnel and sub professionals involved in Highway Construction.

(i) The quality control/assistant quality control engineers (sub-professionals) engaged by the Consultants, Contractors, IEs and AEs etc. for NH works must have been trained in 16 days material testing process course imparted by Indian Academy of Highway Engineers or CRRI

(ii) The Bridge engineers, structural engineers and other professionals involved in bridges/structures designing, construction and maintenance engaged by the Consultants, Contractors, IEs and AEs etc. for NH works must have been trained in residential training programme on Collapse/failure of bridges/structures.

2/3

(iii) Personnel involved in Road Safety Audit of Highways must have completed the Certification course on Road Safety Audit conducted by IAHE or other designated organizations.

(iv) Personnel of Private agencies (Key personnel and Sub professional) deployed for NH works must have completed at least one training course preferably in relevant field in past two years amongst the range of courses conducted by IAHE throughout the calendar year.

6. The personnel qualified in aforesaid courses would be allowed to be deployed for future works of NH development. Necessary changes in the Contract Documents shall be made immediately. AS(H) to carry this out.

7. Besides, the engineers/Officers of Ministry, NHAI, NHIDCL, BRO, State Governments shall undergo the aforesaid training courses if they have to be deployed on NH projects.

8. All executing agencies are requested to bring this circular in the knowledge of all stakeholders and ensure the adherence to the quality standards of Personnel of Consultants, Contractors, IEs and AEs deployed for NH works in the intended spirit.

9. This issues with the approval of Competent Authority in Ministry.
