

No. RW/NH-33054(3)/91-S&R

*Dated the 16th October, 1992*

T

Chief Engineers of all State PWDs/Union Territories (dealing with the National Highways and other Centrally Sponsored Schemes); Director General (Works), Central Public Works Department; Director General Border Roads; Chairman, National Highway Authority New Delhi.

**Subject:** Supply of Elastomeric Bearings for Bridges on National Highways and under other Centrally Sponsored Schemes - Ministry's Circular of even number dated 23rd September, 1992 - Corrigendum.

Please refer to this Ministry's Circular of even number dated 23rd Sept., 1992 wherein executive instructions regarding Supply of Elastomeric Bearings for Bridges on National Highways and under other Centrally Sponsored Schemes were issued based on the recommendations of the Monitoring Committee constituted to make a general assessment of the infrastructural facilities of the prequalified manufacturers of elastomeric bearings. It is requested that in para (ii) of the above referred circular the words "Denka S-40 grade" may be read as "Denka S-40 V grade".
