The Secretary to the Govt. of Andhra Pradesh/Assam/Bihar/Gujarat/Haryana/Himachal Pradesh/ Jammu and Kashmir/Kerala/Manipur/Madhya Pradesh/Maharashtra/Mysore/Nagaland/Rajasthan/ Punjab/Orrissa/Tamil Nadu/Uttar Pradesh/West Bengai

Subject : Transfer of machinery from one State of another Details required to be furnished in each case

I am directed to state that several orders have been issued from this Ministry for transfer of various items of Central equipments from one State to the other, required in connection with the execution of National Highways and other Centrally-Sponsored Schemes works. Some items of equipments were also asked to be released on sale basis. As a rule, it was expected that a complete hisotry would acompany each machine at the time of its transfer. Therefore, detailed specific instructions in this regard were not issued alongwith the transfer orders. But it has been observed that the State Public Works Deptts. are not following this practice. Great difficulty has, therefore, been experienced in collecting necessary details of the equipments transferred from one State to the other. It has now been decided that standardised proformae should be sent to all concerned, for furnishing the required details Accordingly, I am to forward herewith two standardised proformae, with the request that necessary details may please be furnished urgently in respect of (i) all machines transferred from other States/Projects for record in this Ministry. The statements may kindly be sent in triplicate.

2. As this is most urgent, I am to request that a copy of the instructions issued in this respect may kindly be endorsed to this Ministry.
