No. RW/NH/34020/1/90/DO II

Dated the 12th September, 1990

To

The Chief Engineers of State Public Works Department and Union Territories dealing with National Highways and other centrally Financed Schemes; Director General (Works) Central Public Works Department; Director General Border Roads; Chairman, National Highway Authority, New Delhi.

Subject: Investigations, Analysis and Repair/Rehabilitation of Bridges - engaging of an agency for carrying out the entire work as a turn key job.

It has been decided that whenever repair/rehabilitation of bridges are required, only such agencies should be engaged who are capable of carrying out investigations, analysis, formulation of repair/rehabilitation measures and rendering advice during supervision of the execution. Such agencies shall neither be contractors or suppliers nor interested parties.

2. It is further pointed out that appointment of such agencies in each case shall be made only after obtaining prior consent of this Ministry as already communicated vide this Ministry's letter No. NH/11065/10/86-NH III, dated 18th July, 1988.

3. This circular supersedes the directions contained in the earlier circular letter no. RW/33044/2/88- DO II, dated 13th January, 1989.

4. The contents of this letter may be brought to the notice of officers of your Department dealing with National Highways and other centrally sponsored schemes.
