

Government of India
Ministry of Road Transport & Highways
(Monitoring Zone)

Transport Bhawan,
 1, Parliament Street,
 New Delhi

No. NH/15017/16/2015/P&M

Dated the 29th March, 2017

Office Memorandum

Subject: Allotment of projects to the empanelled National Level Project Monitors (NLPMS) – reg.

National Level Project Monitors (NLPMS) are being empanelled by monitoring zone and they are being allotted with projects for carrying out site inspection and submission of reports to enable the Ministry to identify major lapses in project execution and rectify the same through timely measures. This zone is continuously identifying critical/languishing projects that need third party independent monitoring and appointing NLPMS for such projects. However, it has been observed that project zones are also appointing these empanelled NLPMS for their projects independently without intimation to this zone which sometimes creates a snag in further allotment of projects.

2. All concerned are therefore requested that henceforth any project which requires supervision of NLPMS but has not yet been allotted, may be referred to this zone for allotment to NLPMS.
3. This issues with approval of Competent Authority.

(Kusum Ghangas)

Asst. Executive Engineer (Monitoring)
 For DG (Road Development) & Special Secretary

To:
