IAHE Campus,
A-5, Sector-62
Noida-201301

F. No. RW/NH-33044/49/2015/S&R (R)

Dated: the 4th November, 2015

To,

1. The Chief Secretaries of all the State Governments/ UTs
2. The Principal Secretaries/ Secretaries of all States/ UTs Public Works Department dealing with National Highways, other centrally sponsored schemes.
3. All Engineers-in-Chief and Chief Engineers of Public Works Department of States/ UTs dealing with National Highways, other centrally sponsored schemes.
4. The Director General (Border Roads), Seema Sadak Bhawan, Ring Road, New Delhi-110 010.
5. The Chairman, National Highways Authority of India, G-5 & 6, Sector-10, Dwarka, New Delhi-110 075.
6. The Managing Director, NHIDCL, PTI Building, New Delhi-110001
7. The CEO, IHMCL, MTNL Building, NHAI Annexe, Dwarka, New Delhi-110075

Subject: Greening (Plantation & its Maintenance) of National Highways - creation of fund – Corrigendum.

In supersession of Ministry's Circular of even number dated 28-08-2015 on the above mentioned subject, this circular is issued as under.

2. The Ministry has been emphasizing the need for landscaping and plantation of trees along the National Highways, from time to time, for reducing the adverse effects of air and noise pollution, soil erosion and to provide much needed shade during the summer months. The detailed policy guidelines on the subject issued by the Ministry vide Circular no. NHIII – P/15/75 dated 20th May, 1976 are already in vogue. Besides, Circular no. RW/NH-11052/5/95-D.O.I dated 26th November, 1996 thereby permitting public sector corporations/reputed private companies/voluntary organizations to develop & maintain tree plantation and Circular no. RW/NH-11052/3/97-D.O.I dated 31st December, 1997 regarding Median Plantation have also been issued by the Ministry. The detailed specifications to be followed for roadside plantation and median plantation have been specified in IRC:SP:21 – “Guidelines on Landscaping and Tree Plantation”.
3. As per the above referred Circular dated 20th May, 1976 the maintenance of trees and plantation of new ones on existing roads has to be done from funds allocated for maintenance and repair of National Highways. In special cases, original work sanctions could be considered for planting new trees on existing roads provided there is proper justification for the same. For bypasses and new constructions, the project estimates should provide for plantation and landscaping.
4. The Ministry has formulated the revised policy, “Green Highways (Plantation & Maintenance) Policy – 2015” to develop eco-friendly National Highways with the participation of community, farmers, NGOs, private sector, government agencies and the Forest Department. It has, accordingly been decided that henceforth, for the work related to the greening of National Highways, 1% of the Civil work cost should be added separately while

arriving at the Total Project Cost (TPC) of National Highway projects being developed on EPC/BOT mode. A copy of the draft Sanction letter for the National Highway projects to be sanctioned by the Ministry of Road Transport & Highways, including Plantation and its maintenance, is enclosed herewith for reference and necessary action.

4.1 1% of the Civil work cost will be set apart for Highway Plantation and its Maintenance. This fund will be transferred to NHAI to maintain a separate Fund Account called "Green Highways Fund" only for this purpose. NHAI will act only as a Fund Manager for maintaining the Account and releasing payments based on the request made by Regional Officer/PD and recommendation of monitoring agency (IHMCL). This Fund will be utilized for Plantation & Maintenance work on all stretches of National Highways.

4.2 The Plantation and its maintenance work will be taken up by following a corridor approach for effective plantation and better impact. At least one corridor in each State will be taken up for model plantation which will be replicated in other stretches subsequently.

4.3 Plantation and its maintenance work will be done only through the empanelled agencies of MoRTH through competitive bidding. IHMCL will do the empanelment of agencies for taking up Highway Plantation and its maintenance work. IHMCL will also be the monitoring agency for plantation work.

5. As already mentioned in para 1 above, this circular supersedes the Ministry's earlier Circular No. RW/NH-33044/49/2015/S&R(R) dated 28-08-2015 on the Subject.

6. The contents of this circular may be brought to the notice of all concerned in your organization.

7. This issues with the approval of Competent Authority.

(U.C. Katara)
