In partial modification of the instructions contained in Ministry's circular letter of even number dated the 10th July, 1984 it has now been decided that henceforth the ROs/ELOs should send their specific comments, if any, on the original estimates to the concerned Chief Engineer/Superintending Engineer at the Headquarters by name without waiting for a reference from the Ministry. The specific comments should reach the Ministry expeditiously and in any case within 2-3 weeks of the receipt of the estimate.
