Sir,

I am directed to refer to this Ministry's letter of even number dated 26.08.2021, 08.10.2021 and 04.01.2022 on the subject mentioned above and to convey the approval of the competent authority in the Ministry of Road Transport & Highways for further extension of the relief measures for a period of 6 months from 01.04.2022 to 31.10.2022 as under:

- (i) Extension of relaxation in Schedule H/G till 31st October, 2022 to improve the liquidity of funds available with the Contractors and Concessionaire.
- (ii) Arrangement regarding direct payment to approved Sub-Contractor through Escrow Account till 31st October, 2022 or the completion of the work by the Sub-Contractor, whichever is earlier.
- (iii) Reduction of Performance Security/release of retention money: This Ministry has already decided to reduce Performance Security from existing 5-10% to 3% of the value of the contract for all existing contracts (excluding the contracts under dispute wherein arbitration/court proceedings have already been started or are completed). All tenders /contracts issued/ concluded till 31.10.2022 should also have the provision of reduced performance security. However, in order to ensure quality of work being executed, the Ministry advises all project executing agencies to ensure that in case of abnormally low bids (ALBs), additional performance security is realized as per the latest guidelines provided by Department of Expenditure, Ministry of Finance.

Retention money is a part of the Performance Security till construction period. Hence, release of retention money may be continued in proportion to the work already executed and no reduction of retention money may be made from the Bills raised by the Contractor till 31.10.2022.

For HAM/BOT Contracts, Performance Guarantee may be released on pro-rata basis, as provided in the Contract, if Concessionaire is not in breach of the Contract.

(iv) Extension of Time to Contractor/ Concessionaire may be examined and considered on case to case basis.

(v) Waiver of penalty for delay in submission of Performance Security/ Bank Guarantee in new Contracts entered into during April, 2022-October 2022 may be granted in general for all such contracts for a period of one month from the due dates, as per provisions of the contract.

(vi) Extension of Time to Consultants i.e I.E./A.E./S.C. may be examined and considered on case to case basis.

(vi) In case of BOT/ TOT Concessionaire, for reduction in collection of user fee, the concession period is to be extended as per provisions in the Concession Agreement.

(vii) For all NH Tolling Contracts, reduction in collection of fee may be compensated in accordance with the User Fee Collection Contracts.

(vii) Extension of Time may be granted to Concessionaire for achievement of Financial Closure in the Concession Agreements entered between April, 2022 - June, 2022 for a period of one month from the due dates, as per provisions of the contract, depending on the location of the project.

2. The above said relief measures are valid till the mentioned dates unless withdrawn by the Ministry earlier than the date indicated. Implementing agencies are requested to implement the relief measures accordingly.

Yours faithfully,
