

No. RW/NH-11052/10/89-DO I

Dated the 6th February, 1990

Subject; Estimates for temporary diversions in places where Bridges/ROBs are to be constructed.

It has been decided that the estimates pertaining to temporary road diversions required at locations where bridges/ROBs are to be constructed and forming a part of the bridge estimate shall henceforth be dealt by the Bridges Directorate and no reference to the Roads Directorate is considered necessary.
