MESSAGE

Good governance and transparency in public life is the cornerstone of the NDA government headed by Hon'ble Prime Minister Shri Narendra Modi.

Zero tolerance against corruption at every level of administration has been the hallmark of our policies and programme implementation in the last more than six years.

The Central Vigilance Commission (CVC) is the government's watchdog ensuring probity among public servants.

I am glad that the CVC is observing a "Vigilance Awareness Week " from 27th October to 2nd November 2020, with the theme "Satark Bharat, Samridh Bharat" (Vigilant India, Prosperous India)" for promotion of integrity in public life.

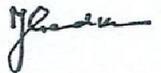

It is in the fitness of things that the campaign is being launched as a mark of respect to Bharat Ratna Sardar Vallabhbhai Patel whose birth anniversary falls during this week(October 31).

I have extended my wholehearted support to the CVC campaign. All the departments & organisations under my ministries have been asked to focus on internal (housekeeping) activities in campaign mode as part of the Vigilance Awareness Week.

Secretaries and other senior functionaries in our offices have been engaged in promotion and adoption of systemic improvements and good practices, organising Integrity Pledge, conducting workshops and sensitisation programmes for employees and other stakeholders, also conducting debates quiz etc. on issues related to anti-corruption.

In view of the present Covid-19 restrictions, all of them have been engaged in promoting dissemination of information using organisational websites, social media accounts and messaging etc.

Let us dedicate ourselves to the Prime Minister's mission of an Aatmnirbhar Bharat free from "Bhaya, Bhookh aur Bhrashtachar" and make the "Satark Bharat, Samridh Bharat" campaign a grand success.
