Adverting to above subject, the Superintending Engineer N.H circle, Bangalore has submitted the proposal received from M/s Jio Digital Fibre Private Ltd, requesting for permission for laying optical fiber cable from Ch.9.00 to 27.800 on RHS and from Km 27.800 to 31.300 on LHS of NH 169A Thirthahalli -Udupi Section for a total length of 22.300 Km and road crossings at Km 23.300, Km 23.400, Km 27.800 and 31.300 in the State of Karnataka

The proposal received from the Superintending Engineer N.H circle, Bangalore has been examined with respect to Ministry's, letter No. RW/NH-33044/29/2015/S&R (R) date:22.11.2016 for accommodation of Public and Industrial utility services along and across National Highways and found generally in order. The necessary undertaking, along with the strip plan indicating the proposed pipelines are also enclosed. Assessment of land value is attached with the proposal.

The proposal is forwarded with a request to communicate approval, subject to the following conditions:

1. The optical fiber cable has to be invariably laid at a minimum distance of 15 mtrs from the central line of existing Highway. If the ROW is at a distance more than 15mtrs, then OFC has to be laid at the edge of ROW. In exceptional cases

where ROW is restricted the utility service can be allowed beneath the carriageway of service road subject to condition that the utility services be laid in concrete ducts which will be designed to carry traffic on top.

2. While laying cable the guide lines issued by the Ministry vide letter No NHIII/P/66/76 Dated 19.11.1976 and RW/NH33044/27/2005/S&R/ Dated 06/07.08.2013 has to be scrupulously followed. And as per the Ministry's Circular No. 39011/16/2012-P&P dated 02-04-2014 and Circular No. RW/NH-33044/29/2018/S&R(R) dated:22-11-2016 for accommodation of Public and Industrial utility services along and across National Highways. The license fee and Performance bank guarantee has to be borne by the applicant.
3. In case of any future development by widening to 4/6 lane the firm shall be replaced/shift the laid cables at their own cost within reasonable time of intimation given by the Highway Authority.
4. The approval may be communicated from NH point of view.
5. All required restoration, maintenance work subsequent to laying of utility services shall be required to be undertaken by the licensee at its cost either by itself or through its authorised representative in consultation with the authority as per the predetermined time schedule and quality.
6. The bank guarantee for an amount based on per route meter with a validity of one year initially in the prescribed format shall have to be provided as per the Ministry circular dated 22-11-2016.
7. The land levy charges for having use of land may be calculated and deposited by the licensee as per the Ministry guidelines dated 22 11-2016.

Hence it is requested to communicate approval to the proposal with the above conditions in order to issue NOC at the earliest.

Yours faithfully,

Encl: Proposal
